Experience

TGI SPORT, Chicago, IL

Lead Motion Graphics Artist (January 2022-July 2023)

- Animated sports stadium-wide advertisements per client's request for large brand-name products and services
- Worked off of client-provided animatics or brand guidelines to create clear, on-brand and effective advertisement during live sporting events
- Repurposed animations and videos for multiple venues and sizes per client's request
- Utilized client graphics and custom art to resize and re-purpose for print media

ABBOTT LABORATORIES, Waukegan, IL

Multimedia Specialist (July 2019-August 2021)

- Utilized provided vector images to create professional animated video for employee training
- Communicated internal business changes through video and filming
- Served as videographer, narrator and post production lead for internal projects
- Designed posters and video visuals for effective communication works
- Worked with Abbott brand guides to maintain a consistent voice
- Assisted in project management for video, social media, and communication projects
- Proofed and provided feedback on email communications

XPRESS VIDEO PRODUCTIONS, Northbrook, IL

Video Editor/Animator (Mar 2017-July 2019)

- Edited professionally shot videos of clientele family events
- Created 3-D photos out of home photos for montage use, using the Adobe Suite
- Created videos of photo montages with full animations and transitions
- Assisted with filming and shooting footage for XVP Comedy
- Exporting and burning DVDs to be sold to clientele

WILLIAMS STREET PRODUCTIONS, Atlanta, GA

Animation/Media Production Intern (Jan. 2016-April 2016)

- Created and edited daily content ranging from graphics to video clips
- Cooperated with Adult Swim staff across different shows in production
- Animated and edited original pieces for Fish Center, further promoting their brand of entertainment
- Collaborated with fellow interns on multiple projects in art and aesthetic
- Designed graphics and stills for on-air games and contests according to the Fish Center vision
